AT WARMWELL RISE
DORSET

ABOUT THE AREA

WARMWELL RISE, DORSET

Warmwell Rise is set on the edge of Crossways in Dorset, a growing community located six miles east of Dorchester.

The development will comprise 140 energy efficient 1, 2, 3 & 4 bedroom homes with a number of them allocated as affordable housing for local people.

The character of the new homes at Warmwell Rise will reflect that of existing properties in Crossways; finished in brick, render and stone to create a varied streetscape.

New planting in the area will add to existing and established trees and hedgerows, plus a new open green space will link residents to a network of footpaths in Crossways.

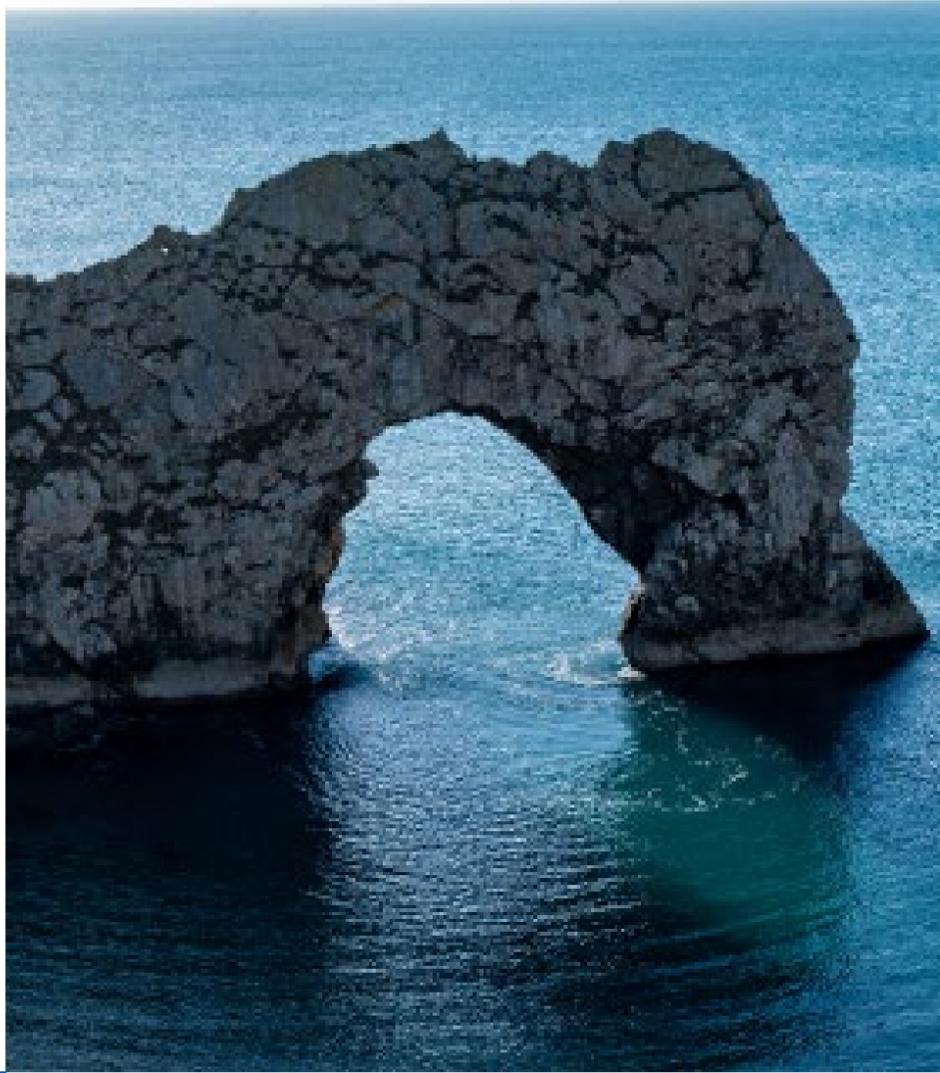

ABOUT THE AREA

LOCATED IN THE SURROUNDING AREA

The peaceful village of Crossways has a doctor's surgery, church, community centre and convenience shops, meaning homeowners have the necessary amenities right on their doorstep.

Just a 13-minute drive away in Dorchester is supermarkets, the Dorset County Hospital, two train stations and a range of pubs, restaurants and cafés.

Families with children will benefit from a local pre-school and primary school in Crossways, as well as a vast educational offering in Dorchester and Weymouth.

For exciting days out, Dorchester is also home to multiple visitor attractions, including Maiden Castle and the Maumbury Rings Amphitheatre - both of Roman origins.
