ABOUT THE AREA

BICKINGTON PARK, BARNSTAPLE

Bickington Park is set in the peaceful village of Bickington on the outskirts of Barnstaple, close to the Taw Estuary and stunning North Devon coastline.

The development of 77 energy efficient 2, 3 & 4 bedroom homes is located just off Bickington Road, within walking distance of the village's local amenities. The new homes will be fitted with air source heat pumps and electric vehicle charging points, with the majority also having roof-mounted solar panels.

Retained hedgerows surround the community, and residents will benefit from a new fruit orchard of newly planted and existing trees covering more than two acres of open space.

New footpaths will link the new homes to existing pedestrian and cycle routes, including the popular Tarka Trail leading north to Barnstaple, or west towards Westward Ho! and the coast.

ABOUT THE AREA
