AT HOLLYWELL MEADOW  
NORTH MOLTON

# HOLLYWELL MEADOW, NORTH MOLTON

Hollywell Meadow is set in the rural village of North Molton, surrounded by picturesque North Devon countryside. The development of 39, energy efficient, 1, 2, 3 & 4 bedroom homes is located off Fore Street, adjacent to the village primary school.

Hollywell Meadow will include a village green, allotments, an equipped play area and a footpath linking the development to the village sports and community centre.

North Molton is home to around 1,300 people, many attracted by the beautiful location, friendly community and primary school, rated ‘Good’ by Ofsted. In recent years, with the advent of improved digital communications and home working, several independent businesses have established themselves, demonstrating that North Molton is an excellent place both to live and work.

## ABOUT THE AREA

---

### LOCATED IN THE SURROUNDING AREA

---

North Molton lies at the heart of a large area of traditional Devon countryside, on the southwestern edge of Exmoor National Park, home to the iconic Exmoor pony and some of the most beautiful scenery anywhere in the UK.

Exmoor is also a Dark Sky Reserve, offering unrivalled views of the stars and North Molton has the Politmore Inn Observatory, purpose-built for observing the heavens.

---

Farming has been important to the area for centuries and North Molton was a major centre of the woollen industry until the 18th century. It was also a mining centre, producing iron, copper and manganese into the late 19th century. Gold has also been found!

Today the countryside offers endless opportunities for walking, horse-riding and outdoor activities of all kinds.
